CONSENT TO THE TRANSMISSION OF PERSONAL INFORMATION

I consent to the school institution or the School Board transmitting to the transit service provider any information necessary to verify my student status or the student status of the child of whom I am the parent or tutor.

I accept that:

1. The school institution or School Board shall provide the transit service provider with the following personal information:
 - A. Surname and first name as transmitted to the Ministère de l'Éducation
 - B. Date of birth
 - C. Address and postal code
 - D. Email address for correspondence and transmission of the purchase receipt
 - E. Photo
 - F. Permanent code
 - G. Internal identification number at my institution
 - H. Telephone number
 - I. Student status (full-time or not)
 - J. Language of correspondence
2. This information is provided to the transit service provider by the school institution or the School Board at my request and must be used for the sole purpose of obtaining a photo ID OPUS card;
3. I am not obliged to proceed in this manner to purchase a photo ID OPUS card. If I prefer, I can buy the card directly at the transit service provider or travel on the network using an OPUS card without photo or regular fare tickets;
4. The information will be processed and used by the transit service provider in accordance with the **Act respecting Access to documents held by public bodies and the Protection of personal information** (chapter A-2.1) and kept during the validity period of the privilege, + 180 days. Any recourse, complaint or question I may have regarding the storage and/or use of the transferred information should be addressed to the transit service provider that issued the card.

Note that the transit service provider reserves the right to verify the student's status during the year and to revoke the student privilege of those who are no longer enrolled full-time as defined in the Act respecting financial assistance for education expenses during the semester for which proof was provided.
